Company Introduction

Diamond PVC Pipe Industry (Pvt) Ltd. was established in 2012 as M/s Muhammad Sardar PVC Pipe Industry. The company initially manufactured PVC and uPVC pipes and later expanded into HDPE, MDPE, PPRC pipes and fittings under the SKYFIT brand. Our focus is dependable production, routine quality inspection, project support and responsive customer service.

Product Range

Product	Applications	Key Features
uPVC Pipes	Water supply, pressure, drainage, bore wells	Rigid, corrosion resistant, smooth flow
HDPE / MDPE Pipes	Agriculture, water distribution, industrial services	Flexible, impact resistant, coils and straight lengths
PPRC Pipes & Fittings	Hot and cold-water plumbing	Heat fusion system, complete fitting range
PVC Fittings	Pipe connections and branch systems	Elbows, tees, sockets, reducers and couplers
Electrical Conduit	Electrical wiring protection	Lightweight conduit pipes and fittings

Quality Assurance

Our technical team checks raw materials, production processes and finished products to support dimensional accuracy, strength and consistent finishing. Routine checks may include wall thickness, outside diameter, hydrostatic pressure, tensile properties, marking, packing and visual inspection.

CEO Message

Assalam-o-Alaikum. It gives me immense pleasure to welcome you to Diamond PVC Pipe Industry (Pvt) Ltd. We are committed to manufacturing quality PVC, HDPE, PPRC pipes and fittings with dependable service. We value the support of our customers, principals, dealers and employees, and warmly welcome suggestions that help us improve our services further.

Muhammad Sardar

Chief Executive Officer
